1. Status Report 5

    - Date: 2013-11-27
    - Project Title: Fables of Slyvus $^{©}$ Monster Minder
    - Team Members: Ryan Nish, Victor Aw, Marissa Melen
    - Completed Work: We have update the design document wording to accurately reflect the proposed design.
    - There were no tasks that were not completed.
    - There were no changes in scope.
    - Next Phase: We will begin implementation as per the senior project guidelines
    - Anticipated Challenges: While it is unlikely, we may encounter challenges in how we can implement the features of our project.

2. Our current plan is to begin coding.

3. Current project artifacts:

    (a) Proposal: We have included the proposal
    (b) Analysis documents: We have an analysis document, in LaTeX format
    (c) Design documents: We have included the feature list and game rules governing our project, as well as a formal design document.
    (d) Source code: None right now
    (e) There are no other essential artifacts
